Dear Mr. Combs:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Your report does not include a Schedule H1 to disclose the ratio for the allocation of certain costs. For State, District and Local party committees, Schedule H1 must be filed in the first report each calendar year that discloses an allocable disbursement and for Separate Segregated Funds and Non-connected committees, in each report that discloses an allocable disbursement for administrative expenses, generic voter drives or public communications that refer to any political party, but do not refer to any clearly identified candidates.

Further, for State, District and Local party committees, all shared administrative, generic voter drive and exempt activity costs incurred during the two-year cycle must be allocated according to the appropriate fixed ratio, unless the federal account elects to pay a higher percentage of its cost. For Separate Segregated Funds and Non-connected committees, administrative expenses, generic voter drive costs and expenses related to public communications referencing any political party committee (but no clearly identified candidates) must be allocated according to a 50% flat minimum federal percentage unless the federal account elects to pay a higher cost. 11 CFR §106.7(d)(2), (d)(3) and 11 CFR §§104.10(b)(1) and 106.6(c)

-Please clarify all expenditures made for "Annual Dinner Catering," "Office Supplies - Annual Dinner," "Annual Dinner Shipping," "Annual Dinner Food and Beverage" on Schedule(s) B. If a portion or all of these expenditures were made on behalf of specifically identified federal candidates, this amount should be disclosed on Schedules B or E supporting Lines 23 or 24 and include the amount, name, address and office sought by each candidate. 11 CFR §§104.3(b) and 106.1

-Please clarify all expenditures made for "Catering Expense" on Schedule H4. If a portion or all of these expenditures were made on behalf of specifically identified federal candidates, this amount should be disclosed on Schedules B or E supporting Lines 23 or 24 and include the amount, name, address and office sought by each candidate. 11 CFR §§104.3(b) and 106.1

Alternatively, if the payment(s) on Schedule H4 is associated with fundraising activity conducted for your committee's federal and non-federal accounts, it must be allocated according to the funds received method and the ratio reflected on Schedule H2. Further, it must be categorized as a fundraising activity on Schedule H4. Please provide clarifying information regarding the nature of this transaction(s) and amend your report(s) as appropriate.

-Schedule B discloses an expenditure(s) for "Program Printing" and "Annual Dinner Postage." Please be advised that public communications (as defined by 11 CFR §100.26) and voter drive activity (under 11 CFR §106.6(b)(2)(i)) containing express advocacy as defined under 11 CFR §100.22, would constitute an in-kind contribution or an independent expenditure and should be properly disclosed on a Schedule B or E supporting Line 23 or 24 as appropriate. Public communications and voter drive activity that refer to a clearly identified Federal candidate, but that do not expressly advocate the election or defeat of that candidate should be reported on Schedule B for Line 21(b) of the Detailed Summary Page. Please clarify whether this activity contained express advocacy and amend your report to properly disclose this activity, if necessary.

-Schedule H4 discloses an expenditure(s) for "Communications," "Publications [sic]," and "Program Ad." Please be advised that public communications (as defined by 11 CFR §100.26) and voter drive activity (under 11 CFR §106.6(b)(2)(i)) containing express advocacy as defined under 11 CFR §100.22, would constitute an in-kind contribution or an independent expenditure and should be properly disclosed on a Schedule B or E supporting Line 23 or 24 as appropriate. Public communications and

voter drive activity that refer to a clearly identified Federal candidate, but that do not expressly advocate the election or defeat of that candidate should be reported on Schedule B for Line 21(b) of the Detailed Summary Page.

Furthermore, the costs for public communications and voter drive activity that refer to one or more clearly identified Federal candidates must be paid for with 100% federal funds. It appears that you have allocated these costs between federal and non-federal funds. Any reimbursement from your committee's non-federal account for public communications and voter drive activity referencing a clearly identified Federal candidate is not permissible and must be returned. 11 CFR §106.6(f)

Please clarify this activity and amend your report, if necessary, to properly disclose this activity. In addition, please inform the Commission of any corrective action immediately. Although the Commission may take further legal action regarding this apparent prohibited activity, your prompt action will be taken into consideration.

-Itemized disbursements must include a brief statement or description of why the disbursements were made. Please amend Schedule(s) H4 of your report to clarify the following description(s): "Communications" and "Publicatiions [sic]." For further guidance regarding acceptable purposes of disbursements, please refer to 11 CFR §104.3(b)(3).

-Schedule A supporting Line 17 of your report discloses payment(s) from Names in the News. It appears this receipt was for goods and/or services provided by your committee. Pursuant to Advisory Opinion 1979-18, the sale/purchase price paid to a political committee could involve the receipt of a contribution from a purchaser if the purchase price exceeds the "usual and normal charge". The term "usual and normal charge" for goods is defined as the price of those goods in the market from which they ordinarily would have been purchased at the time of the contribution. Examples of goods and services include equipment, supplies, personnel, advertising services, membership lists, and mailing lists. 11 CFR §100.52(d)(1) and (2)

Please clarify whether your committee assessed the usual and normal charge for the goods and/or services you provided and explain the steps your committee took in determining the amount charged. If your committee provided the goods and/or services at more than the usual and normal charge, the difference between the two is considered to be an in-kind contribution received by your committee from a corporation and is prohibited subject to the limits set forth at 2 U.S.C. §441b(a)

-The total listed on Line 11(a)(ii), Column B of the Detailed Summary Page appears to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B total. Please amend your report and any subsequent reports that may be affected by this correction.

-Your calculations for Line 11(a)(iii), Column B appear to be incorrect. FEC calculations disclose this amount(s) to be \$1,147,170.21. Please provide the corrected total(s) on the Detailed Summary Page.

-You have previously indicated that your committee has been using "best efforts" to obtain the full name, mailing address, occupation and name of employer for each contributor. However, an increasing number of entries lack this information. Please amend your report by supplying the omitted information or providing an explanation of your efforts in this regard. 11 CFR §§104.3(a)(4)(i) and 104.7

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1136.
